## Value for Money Statement

Academy trust name: Drayton Manor High School

Academy trust company number: 7698859

Year ended 31 August 2021

I accept that as accounting officer of Drayton Manor High School I am responsible and accountable for ensuring that the academy trust delivers best value in the use of public resources. I am aware of the guide to academy value for money statements published by the Education & Skills Funding Agency and understand that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

I set out below how I have ensured that the Academy Trust's use of its resources has provided good value for money during the academic year.

The aims and philosophy of the school are always at the heart of any decisions regarding the direction of resources carried out through the school's consultative procedures. The school focuses on improving educational outcomes by targeted improvement in keeping its staffing structure under review, focusing on individual pupils including one to one support, better purchasing by testing the market and continuously appraising services and contracts.
